A curious incident is mentioned by the Cattaraugus (New York) Republican, in which a child narrowly escaped being buried alive.- The child, as it was supposed, died mon the funeral was held, and the body of the child accompanied by a large number of friends, was conveyed to the grave. As the dirt began to fall on the coffin a feeble cry was heard. The coffin was instantly raised and opened, and a shriek of "mother!" burst from the lips of the resuscitated child.

It is useless to attempt a description of the 90 feet. scene that followed. The child is in a fair way to recover.
